

RNA biology seminar

Date: July 23 (Tue), 13:00-16:15

Room: Room 56 in Engineering Building No.5 (Hongo campus)

13:00~13:45 **Mary Anne Rubio** (The Ohio State University)
Editing and modification by enzyme co-activation

13:45~14:30 **Yunsun Nam** (UT Southwestern Medical Center)
Structures and mechanisms of RNA methyltransferase

14:30~14:45 Break

14:45~15:30 **Jinwei Zhang** (National Institutes of Health)
tRNA-like structures and interactions in bacterial and viral noncoding RNAs

15:30~16:15 **Juan Alfonzo** (The Ohio State University)
Dynamic Interplay Between tRNA Transport, Processing and Modification
in *T. brucei*

Contact: Tsutomu Suzuki and Kozo Tomita
