

Lecture

Understanding and Manipulating Protein-Protein Interactions using Biomimetic Approaches

Prof. Andrew J. Wilson

Deputy Director,
Astbury Centre for Structural Molecular Biology
School of Chemistry, University of Leeds, United Kingdom

Oct. 12th 15:00-16:30 at room 8B04 in Faculty of Engineering Bldg.3

Contact: Prof. Shinsuke Sando,
Department of Chemistry and Biotechnology
(Extension Number 26978)
